# ABOUTS US

**M&S India Group**, established in **2020** at **Panchkula, Haryana**, is a trusted name in **third-party cosmetic manufacturing**, committed to delivering high-quality, safe and effective **herbal cosmetic products**. Guided by our belief that **“Herbal Is Future”** we combine traditional herbal wisdom with modern manufacturing standards.

We specialize in the development and manufacturing of a **complete range of cosmetic and personal care products**, formulated using **pure, herbal and naturally derived ingredients**. All our products are **AYUSH approved** and manufactured in compliance with industry quality norms to ensure safety, consistency and efficacy.

At M&S India Group, we support brands with **customized formulations, private labeling and scalable manufacturing solutions**, helping them bring reliable and market-ready products to life. Our focus on innovation, quality control and ethical practices makes us a dependable manufacturing partner for growing cosmetic brands across India.

With a vision rooted in nature and a commitment to excellence, **M&S India Group** continues to shape the future of herbal cosmetics—naturally.
